

Our Vision: Girls' lives transformed; God's world enriched

# I am a GB Leader because ?

Girls' Brigade Leaders were asked to complete the question: "I am a GB Leader because ...

Here are their responses.

I am a GB Leader because I have always felt God's presence in everything that I do for GB, and with His guidance He has led me to lead not just in the Blacktown Company, NSW, Australia, but in the Pacific, transforming girls and Leaders lives for Him. - Renelle Neale (Blacktown GB Company)

I am a GB Leader because it was through GB that I met Jesus. Not even my Sunday School or Church brought me into a loving relationship with Him like GB did. Now I want to give more girls this opportunity to meet Him. For many of our girls GB is the only church they will ever know so we must take every opportunity to tell the gospel to them. - Jenny Fayth (East Maitland GB Company)

I am a Girls' Brigade Leader because I want girls to know my Saviour. I want to introduce them to Jesus who has transformed my life. Girls' Brigade is about teaching girls about life, relationships and God. Who wouldn't want to have a chance to help a girl grow up to be a beautiful Godly woman. - Armidale GB Company

I am a GB Leader because I love the opportunity to love the girls and teach them about Jesus .  
- Victoria (West Wollongong GB Company)

I am a GB Leader because I have wonderful memories of the part Girls' Life Brigade played in my younger days. I learnt so many life skills but more importantly it was one of the things that lead me to become a follower of our Lord and have Him in my life daily. I pray that the girls who pass through GB may also encounter my amazing God and learn to follow Him too, and in some small way I can be part of that journey with them as they come to accept Him. - Susie (Erina GB Company)

Our Motto:

**Seek, Serve and Follow Christ.**

I am a GB Leader because serving God this way brings so much joy into my life as I watch young girls grow up and become young women who love God and want to serve God with the gifts He has given them. - Kate Snapp (Thornleigh GB Company)

I am a GB Leader to help girls to find Christ. - Rhonda (Austral GB Company)

I am a GB Leader because I grew up in GB and I know what it and the Leaders I have had have done for me. I want to help like I have been helped.

I am a GB Leader because I don't believe in co-incidence but in a God who directs our paths. I am a GB Leader because I want our girls to deeply know the Christ who died for them. - Sharyn (East Hills GB Company)

I am a GB Leader because I want to help girls become followers of God and also help them strengthen that relationship so they have the tools as a Christian in the 21st century.- Lenore (East Hills GB Company)

I am a GB Leader because as a GB Leader I can give back for all the opportunity GB gave me as a girl and now as a Leader.

- Sara (Austral GB Company)

I am a GB Leader because I have had the privilege of being a GB girl and being mentored and shaped by my GB Leaders and God has directed me in the direction of working with and leading girls over many years to *Seek, Serve and Follow Christ* in their daily walk with our Lord. I have been blessed to see many girls follow in Jesus' ways and live for Him wherever they have gone after their GB days. - Wendy (East Hills GB Company)

### Why 'Brigade Affect'?

We use 'affect' because it is a verb, which means to produce a change in something.
