Leadership Development Course

What is Leadership Development Course (LDC)

Leadership Development Course (LDC) is a weeklong camp where young people have an opportunity to develop their leadership through connection, training, activities and exploration of God's word.

At LDC, Girls Brigade attendees will have the opportunity to complete two PLT Braids. Girls can choose,

FOUNDATIONS - Foundations aims to give girls a strong foundation in Girls' Brigade as an organization and the role that they have within it. girls will develop an understanding of the core values and mission of Girls' Brigade, while practicing leadership skills.

OR

DEEP - Deep aims to introduce girls to different ways to worship and provide space for deeper exploration of their own worship and faith.

AND

TEAM - Team aims to explore what it means to work as part of a team, while also considering how to lead and contribute meaningfully to both informal and formal team meetings.

OR

LEAD - Lead aims to develop girls' awareness of their own strengths and abilities, in both a personal and leadership context.

Girls' Brigade attendees will receive:

- Two Pioneer Leadership Braids
- A Certificate of Leadership
- A report outlining their achievement of course content.
- An LDC 'hoodie'

The course cost covers all materials, meals, cabin accommodation and all activities, both onsite and offsite. The camp will conclude with a graduation service, - family/leaders/friends are invited.
